The
Chronicles of
Secret:
The Signs of
Gehenna and
the Final Nights

Quiet! Hear the raven's
cry! The stillness of the
rising hot on the the
street. The towers hide
the darkness of the day.

When the Lasombra's
dreams come true on the
day when the moon runs
as blood and the sun
rises black in the sky.
That is the day of the
damned when Zemyaza's
children will rise again.

And the world will turn
cold and unclean things
will boil up from the
ground and great storms
will roll, lightning will light
fires, animals will fester
and their bodies, twisted,
will fall.

So, too, our grandsires
will rise from the ground.
They will break their fast
on the first part of us.
They will consume us
whole.

On the second day,
Zemyaza will return and
call his children to the
meeting place in the
deep caves of the Frozen
Lands of Ice Isle. He will
beckon them, sitting on
his basalt throne.

And there, Zemyaza will
destroy those unloyal few,
those who failed to
accept their inner peace
and wisdom, and those
who refused his noble
name.

And Zemyaza will call
aloud the names of those
to be destroyed, for
their crimes are too
great. They will be made
to drink from the father
himself, and his blood will
devour theirs.

And Zemyaza will then
call aloud the names of
those to be honored, for
they have followed the
commandments of the
Dark Father. They will be
made to drink from the
father as well, but the
blood will not devour
them. They will taste the
legacy that flows in the
veins of the Father.

And the Dark Mother,
Lilith, will be brought
forth. And there, in the
caves of the Frozen
Lands, will there be a
battle.

A duel of Dark Father
and Dark Mother. The
demon queen will bite
deep. The damned
king will bite deeper.

And we will not know the
thing which will happen,
but the sky will tear
apart, and the Sosaria
below. And the forces of
darkness will pour up
from the ground.

On the third day, there
will be silence. The crows
will feed on the carrion.
Plague will dance amongst
the ruins.

The last of the Moon
Beasts will fight and

fall. Some of Sosaria's
living will come and live in
the Last City, called
Gehenna.

And there will be a reign
of one thousand years.
And there will be no love,
or life, or pity. The
mighty will be as slaves.
The virtuous will be made
foul. The unworthy will
cease to exist, and the
followers will be made
privileged.

Every good gift and every
perfect gift will be
tainted by the Father of
Darkness, whose power
will come from the
nether realms of Stygia.
When the snows consume
Sosaria and the sun
gutters like a candle in
the wind, then and only
then, will there be born a
woman, the last daughter
of humanity.

And in her there will be
decided the fate of all.
And you will not know
this woman, except by
the mark of the moon on
her. And she will face
treachery, hatred, and
pain. But in her is the
last hope.

And you will know these
final nights by the time
of thin blood, which will
mark vampires that
cannot Beget.

You will know them by
the Clanless who will
come to rule. You will
know them by the Wild
Ones who will hunt us
even in the strongest
city. You will know them
by the awakening of some
of the eldest. You will
know these times, for a
black hand will rise up
and choke all those who

oppose it. And those who
eat heart's blood will
flourish. And the Kindred
will
own, and vitae will be as
rare as diamonds.

Mark the signs, fellow
Zemyazan. Gehenna is
imminent to Sosaria.
